Wabash Valley Slim wins the October 2017

Shootout

The threat of rain may have kept some of our cowboy friends away this month. We enjoyed mostly cloudy to partly sunny skies during the match. It had rained on us as we finished setting up on Friday afternoon, and then there was a pretty heavy shower that evening. The range seemed to have soaked all that up pretty well, so that we had no puddles or bad footing to deal with on Saturday. After the match we enjoyed some Barbecue from Sam under the pavilion. Shooting together was a great way to kick off the Columbus Day weekend.

Thirteen cowboys made it to the shootout, although two were not able to finish the match. We had a variety of stages, some were different from the usual, but only one seemed difficult. It was good to see have several cowboys we have not seen here since the spring.

The set up on the new Action Pistol range worked really well. It will be even better when the shelters have been completed. We were able to hold our match at one end of this range while another group held an AR-15 class at the opposite end of the Action Pistol range. The range improvement project is going to prove to be great for all the shooting disciplines we support in Valdosta.

Thanks to **Just Lee** for getting the flagpole in good shape and erected at the center of the Action Pistol range. The Flag unfurled on this pole makes a great centerpiece to this range!

Little Man managed to shoot the match clean. Congratulations!

Wabash Valley Slim was Top Gun, with **Christian Mortician** and **Little Man** coming in Second and Third, respectively.

We had a hard working posse, which made the match run very smoothly. Everyone took a job when not loading, shooting, or unloading, so that we all shared the load. We were able to finish all six stages before 1:00pm and had all the steel picked up and put away shortly thereafter.

Thanks to **Tennessee Tall**, **Rio Drifter**, **Big Country** and **Wabash Valley Slim** who did most of the manual labor while I supervised in setting up the steel on Friday afternoon. It began raining shortly after we had finished setting up the steel, and we got wet making sure we had all the tables in place.

Thanks to all the cowboys who helped with getting the steel put away after the match, and policing the range after the match.
